

THE ALIC NEWS

WINTER 2010

2011 Annual Meeting Date

Mark your calendars now for the 2011 ALIC annual meeting to be held on Saturday, August 6, beginning with a potluck breakfast at 8:30 a.m. at the Androscoggin Yacht Club. It is the Board's intention to hold our annual gathering around this same Saturday each year, depending, of course, on the availability of the facility. We'll look forward to seeing you next summer!

Do you have a lake story to share for our next newsletter? Please send us your story today!

info@androscogginlake.org

ALIC forms a Yahoo! Group

ALIC recently formed its own Yahoo! Group at www.groups.yahoo.com/group/AndroscogginLake. If we have a good e-mail address for you, we have already added you to the group.

Updates about the lake, as well as messages regarding lake association business, will be sent periodically throughout the year in an effort to strengthen the connection which we share. In fact, in the future, Winter Newsletters may only be available electronically. So, if you are not already a member, sign up now.

2011 Summer Seminars being Planned

An evening social is in the works to provide an opportunity to celebrate the lake and to share some favorite memories.

We're also brainstorming about a "mini-fair" featuring professionals in the fields of shoreline protection, buffer zone plantings, and erosion control. Displays, samples, and advice will be available to assist you in addressing issues on your own lakefront. Find out more about enlisting the help of the Youth Conservation Corps to work on your project.

If you'd like to serve on either of these committees, please send an e-mail to us at info@androscogginlake.org.

December 2010
